

RIOS™ MEMBERSHIP APPLICATION FORM

INTRODUCTION TO RIOS™ MEMBERSHIP

RIOS™ membership grants to each of the facilities enrolled via this form a license to use one copy of the Recycling Industry Operating Standard™ (RIOS™), RIOS™ Implementation Guide, and other RIOS™ materials developed for the benefit of RIOS™ members (henceforth, “RIOS Documents”; also henceforth, “™” is omitted from “RIOS™” for clarity). As RIOS member facilities, your facilities are entitled to the latest versions of RIOS Documents, basic RIOS assistance, and access to RIOS training.

Obtaining RIOS membership for your facility(ies) involves completing a RIOS Membership Application Form, submitting applicable initial RIOS membership fees in US dollars (no other currency accepted), and returning a signed specific RIOS Member License Agreement. To start, submit your completed Application Form with applicable initial RIOS membership fees as instructed. Review, sign, and return a copy of the (signed) License Agreement provided by ISRI Services Corporation (ISC) as instructed. Upon ISC’s receipt of your signed License Agreement and applicable initial RIOS membership fees (in US dollars), your company becomes a RIOS member, and each facility identified in the signed License Agreement becomes a RIOS member facility. ISC will provide electronically a licensed copy of the RIOS Documents and a certificate of RIOS membership for each RIOS member facility. This certificate may be used as proof of RIOS membership for the identified facility. RIOS membership is maintained in subsequent years by timely payment of the applicable annual RIOS fee(s) and compliance with the License Agreement. A new RIOS membership certificate is issued after payment of the applicable annual RIOS fee for each continuing RIOS member facility.

RIOS membership fees, which are subject to change, depend upon the number of facilities enrolled, eligibility for ISRI membership, and current status of ISRI membership. Each fee has a maximum cap. New facilities may be added to an existing RIOS membership by submitting new-facility information and paying applicable additional RIOS fees as indicated by ISC.

To apply for RIOS membership for your facility(y)ies, please provide the information requested in the following sections. Please return this completed form to ISC via fax at 202-624-9257 or via mail to Darrell Kendall, RIOS Program Director, c/o ISRI Services Corporation, 1615 L Street, N.W., Suite 600, Washington, DC 20036-5610. *Do not send a completed form with credit card information via e-mail.*

If you have any questions, please contact Darrell Kendall, RIOS Program Director, at 202-662-8528 or dkendall@certifymercycling.org.
